Dear Ms Duclos

MONASH UNIVERSITY STUDY: COMMUNITY PARTICIPATION IN FOREST MANAGEMENT – FEEDBACK WORKSHOP

Thank you for your time and contributions to the Monash University student project concerning community participation in forest management. I am pleased to advise that the student research team has now completed the interviews and has gathered a cross-section of views, which has helped guide our own reflections.

The team is currently in the process of developing a draft report of ideas and recommendations regarding community participation in forest management in Victoria. As discussed at the interview, the team is keen to share these with the stakeholders interviewed and to actively elicit feedback. To further this we are holding two feedback workshops, one in Melbourne and the other in Daylesford. You are invited to participate in one of these, which have been scheduled for:

Feedback workshop #1
Date: 6:30pm Monday 21 October 2002
Venue: Central Springs Inn
Cnr Howe and Camp Streets
Daylesford

Feedback workshop #2
Date: 6:30pm Wednesday 23 October 2002
Venue: Boardroom, Monash Business Centre
Level 7, 30 Collins Street
Melbourne

Please indicate on the enclosed reply slip which of the workshops you would like to attend, and use the stamped, addressed envelope to send back your response. Alternatively you may respond by contacting me on 0408 74 1214. Please RSVP by Thursday 17 October 2002. Light refreshments will be served at the workshops.
